No. 94 /04.08.2010 r

TO WHOM IT MAY CONCERN,

The Regional Museum of History – Veliko Tarnovo is acquainted with the Proposal for COST Action „European monetary unifications, from Antiquity to modern times (EMU)“.

Our institution supports EMU and its intention is to found and develop a large international scientific network which is going to research historical knowledge of past monetary experience and present monetary unification in Europe.

**Ivan Tsarov**

Director of Regional Museum of History
