European monetary unifications, from Antiquity to modern times

Dear Mr. Depeyrot,

as the Dean of the Faculty of Humanities, Charles University in Prague, I would like to express support to the international research project entitled "European monetary unifications, from Antiquity to modern times" and the participation of our colleague doctor Roman Zaoral in this project.

Faculty of Humanities provides support to the research activities of doctor Zaoral in the field of numismatics and monetary history on a long-term basis. We believe that this international scientific cooperation will be mutually beneficial.

Kind regards

Ladislav Benyovszky, Ph.D.

Associate Professor

Dean of the faculty
